

Peace and relaxation will be found hugging the tree of Qigong Taoist Hermetix; feel the flow of force through the universe, feed the force flowing through you. Dance and reverse answering your own questions in a graceful swing, pathway of peace. So relax, hugging the Tree of Life.

Night after night
I'm searching the dark
for the secret
of being
Light.

Lines written
The Work continues
into infinity.

Only by bending lines,

weaving the wonder,
can we escape
the arrow of time
going right through our hearts

and again.

Cyclops, observing
the cycle:
"It is fulfilled"

Money and
Monad
